Letter No Rg-2356/36-37 dated 11-8-37 from the Deputy Commissioner, Kadur District requesting sanction to the resolution of the Koppa Minor Municipal Council for the entertainment of one Assistant Sanitary Inspector in place of the existing Sanitary Maistry, 2 female sweepers on Rs 7 each p m and 2 Outer Mustandies on Rs 15 each p m in the Municipality -

1 The need for the additional establishments proposed is explained in detail in the Deputy Commissioner's letter -

2 The entertainment of two additional outer mustandies on a pay of Rs 15 each p m in addition to the existing mustandi seems to be too much for a small Municipality like Koppa whose annual income is between ~~Rs 6000 and Rs 7000~~ between Rs 6000 and Rs 7000

3 As regards the entertainment of an Asst Sanitary Inspector in place of the existing Sanitary Maistry, the Director of Health has reported in another connection that trained candidate would become available for being appointed as Asst Sanitary Inspector only in October 1937.

4 It is however stated that provision has been made in the current year's Sanctioned

To D.P. states that there is a real necessity for the two extra establishment in order to prevent the smuggling of toddy. Other. The recommendation of the D.P. may perhaps be sanctioned

Subject
Revision of Conservancy and Octroi Establishment in Koppa Municipality

---

Adverting to the correspondence ending with your letter No L [illegible] Ml 75-36-29 dated the 27th February/3rd March 37, re the entertainment of an Assistant Sanitary Inspector in Koppa Municipality, I have the honor to state that as Koppa is a very important place in this District and that as many important works have to be taken up in the Municipality, sanction may kindly be accorded to the resolution of Municipal Council for the entertainment of an Assistant Sanitary Inspector on Rs 25-1-35 in place of the existing Sanitary Assistant on Rs 25-1-30 per mensem The present sanitary Assistant of the place may be absorbed in some other vacancy in the District

2 The Municipal Council have further resolved on 31st August 1936 that the conservancy staff may be increased by two more female sweepers At present, the Municipal Council have entertained two male sweepers on Rs 12/- per mensem and this establishment has been found to be inadequate to meet the needs of all the locality I therefore recommend that the resolution of Municipal Council to entertain two female sweepers on a pay of Rs 7/- per mensem may be

3. The Municipal Council have also taken up the question of putting up Cookkads at the principal roads to prevent the smuggling of Octroi. As the present Octroi staff consists of only one Mutsaddi on Rs 15/- per mensem, the Council have resolved on 13th March 1937 that two more Octroi Mutsaddis on Rs 15/- each may be entertained. As there is great necessity for this increased establishment, I would recommend that sanction may be accorded to this resolution also.

4. It may be stated here that in the sanctioned Budget Estimates for 1937-38, provision has been made for all these new items of Expenditure. A proposition statement incorporating all these changes and copies of resolutions of the Municipal Council is enclosed.

The favour of very early orders are solicited.

I have the honour to be,
